*Dear George,*

On behalf of the Senate Committee on National Security and Defence, I would like to thank you for meeting with us to discuss border issues and how our two countries might work together to improve border integrity. Your comments about the diversity of viewpoints and interest in border issues among your legislative colleagues were helpful to us in understanding where we need to focus our attention.

Our Committee would like to develop a continuing relationship with the Congressional Northern Border Caucus. The suggestion of a bilateral visit, perhaps at two border cities such as Detroit and Windsor deserves further investigation. Our respective staff members can examine the possibilities.

In closing, may I express our thanks and appreciation for our meeting. We look forward to working together on border issues.

*All good wishes
